THE EFFICIENCY EXPERTS

MARCH 21, 2015

200 BULLS | 300 FALL-CALVING BRED HEIFERS

Circle A has been measuring and selecting for improved feed efficiency for over 15 years as part of our genetic selection for true profitability. Profitability isn't a marketing ploy; it is what drives our 7,000 head commercial operation and 5,000 head feedlot. We have the largest and most-accurate profitability-tested database in the industry and our genetics could be making money for you.

Improve your efficiency and more importantly your profitability by using Circle A Genetics!
