

CIRCLE A

THE BULL EXPERTS

MARCH 21, 2015

200 BULLS | 300 FALL-CALVING BRED HEIFERS

Nearly every bull Circle A sells is 18-22 months of age. These older bulls are able to cover more cows and less likely to fail. Every facet of their production from their genetic selection to their feed and development is designed to produce an athletic bull capable of delivering profitable genetics to our customers for years to come.

Get your money's worth by purchasing bulls bred and developed to last by buying them from Circle A!
